Dear Stan:

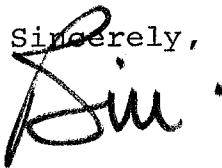

Your briefing of our European guests was the highlight of their three-day visit to the U.S. Needless to say, it was especially exciting for Bill Kelly.

I should add that [] didn't come down to earth for several hours. The fact that you recalled his [] speech astonished him!

I must say that you appear to be in great shape -- maybe even good enough to still play for [] The Academy would be something else again.

All the best to you, Stan, and it was great seeing you again.

Sincerely,

WMK ma
